

## A Team Praise & Prayer—January 2022

*Fix your eyes on Jesus,... so you will not grow weary and lose heart.*

*Hebrews 12:2-3*

Praise the Lord for the time I was able to spend with my mom and brother John and family over the holidays. My sister Jean and her family flew out to California to join us for Christmas. We had a fun time together.

It was good to spend time with my 4 nieces who are all growing up so fast. This year Jessie is graduating from college, Lori is graduating from high school (John & Valerie's girls); Jenna is a freshman in college and Jillian is a sophomore in high school (Jean & Jeff's girls). I guess you could say we had a mini family reunion. Although the time went really quickly I'm so thankful we could be together.

After prayerful consideration, I've decided to take a remote assignment. This means for the foreseeable future I won't be returning to Papua New Guinea (PNG) to work, but I would really like to continue working as a Literacy consultant from the US. In order to do this fulltime, I need to meet the minimum monthly budget Wycliffe has set for my ministry.

Praise God for the new financial partners that I have. I still need **\$311 more per month** to reach 100%. Please could you pray with me that more financial partners will join the team.

Prayer:

Please pray I can stay healthy so I can keep visiting Beth. A number of my friends and their families are sick with Covid.

Please pray that Beth will stay healthy in the nursing home. One staff member and one resident have tested positive for Covid this past week.

Please pray for me as I'm filling out paperwork for Beth.

*We are so grateful to the LORD for such a committed team of prayer and financial partners!*

*May God's grace and peace be with you all.*

*In His service with you, Joy and Beth*
